

Afternoon Ride

The ride is 20 miles with 700 ft elevation gain (or 16 miles and 450 ft if you skip the out and back to the Gateway MAX station from Maywood Park via the Gateway Green). The Intersection of Dekum St and Durham Ave in the Woodlawn area (e.g., Woodlawn Coffee and Pastry cafe) offers a chance for an optional rest stop at approximately mile 17 of the 20-mile ride.
