

PORTLAND BICYCLING CLUB

Board Minutes

August 18, 2021

Respectfully submitted by

President Doug Myers, in Kathleen Hellem's, PBC's Recording Secretary absence.

Attending via ZOOM: Board members: President, Doug Myers; Treasurer, Corey Eng; Recording Secretary, Kathleen Hellem; Road Captains Rob Schroeder, Todd McCollum; Membership Secretary, Christi Horton; Members at Large Alan Mevis, Mike Heffernan, Donald Zook.

Guests present: PBC's *Quick Release* Editor, Lynn Blanchard.

President **Doug Myers** called the board meeting to order at 7:00 p.m.

Membership Report: 439 active members, 239 family members, 27 new since July 1st.

Portland Tribune Ad: new members will be asked if the last ad led them to the club. If it didn't have an impact, we'll not renew the ad.

Treasurer's Report: About \$47,000 in the account, \$5,248 in Vanguard. Balance is holding steady.

Jersey Sales: 71 sold. No longer available to those who haven't ordered.

All Saints for resumption of in person club meetings: Corey and I have both called and left messages; so far, no response from the church.

Picnic: we discussed tables, food, etc.

Mileage credit for non-club rides: the board discussed revoking the 10 non-club ride limit for board approved rides with volunteer club member leaders.

STP: Scheduled for July 16-17, 2022

Mail Chimp: 1,043 subscribers to the newsletter. We go over the limit, incurring an additional \$10 charge, when we have a second listing of the active members (+439). It was felt that

having the ability to reach only the active members for members-only events such as the picnic and banquet is worth the extra charge.

Meeting adjourned at 8:15 p.m., by President Doug Myers
