

West Hills Roller Coaster (Kiddie)

An extremely fun ride and a favorite by many! There are a few hearty climbs until reaching Council Crest, after which it's a fun, fast, and curvy ride back. It's not called Roller Coaster for nothing! If the weather is decent, there's a social at Starbucks a mile or so before the end. This ride usually takes place weekly. Along the way, there are various regroup points and a couple of rest stops (Rose Garden Store and Council Crest, restrooms available).
